The diagram illustrates the dependencies of the header file `tesseract_command_language/include/tesseract_command_language/constants.h`. It is represented by a gray rectangular box at the top. Two blue arrows originate from the bottom of this box: one points to the left and down to a white box labeled `tesseract_common/macros.h`, and the other points to the right and down to a white box labeled `string`. The `string` box has a thin gray border, while the others have black borders.
